ABOUT DISRUN

For years, DBF International has been a leading name in the distribution of Chef Uniforms and top-tier professional footwear brands, with a laser focus on slip-resistant shoes. Our commitment to excellence has made us a trusted partner in catering to the unique needs of the Food and Hospitality Industry throughout the ASEAN market.

At DBF International, we are proud to present our DISRUN series of professional slip-resistant shoes, thoughtfully crafted to meet the exacting demands of various professions. Our extensive range includes chef shoes, nurse shoes, safety shoes, and even home-use shoes. These shoes are engineered to provide the highest level of comfort, safety, and durability, ensuring that professionals in various fields can perform at their best.

What sets DBF International apart is our unwavering dedication to quality. Our slip-resistant shoes are not only sought after within the ASEAN market but also revered in domestic and international markets. We continuously strive to exceed expectations and set new standards for slip-resistant footwear.

Choose DBF International for slip-resistant footwear that not only meets but surpasses your expectations. Elevate your professional experience with our DISRUN series, where style meets safety and comfort.
